

OICMOVIES.COM GROUP SUBSCRIPTION: EDUCATION RATE

GENERAL INFORMATION

An OICMovies.com Group Subscription provides unlimited access to OICMovies.com for specific users. The education rate applies when the Group Subscription is for use by school or college educators or students. Organizations, ASL workshops and continued education tutors and teachers may apply.

A minimum of five users qualifies for a Group Subscription. You will be billed on the basis of the total number of authorized users you indicate on the order form for the entire period of the subscription. OICMovies.com Group Subscriptions are not refundable.

Note on license use: the Group Subscription is for specific users and does not allow for use of videos to teach in classrooms or workshop settings. That usage is covered by an Academic Site License.
